eight year old scout finch tells of life in a small alabama town where her father is a lawyer

in his play christopher sergel has shifted the focus slightly the result of this shift i believe highlights the novel s universal qualities he reminds us that the issues explored are not those of a regional work of art as the novel is often categorised but are of importance in nottingham manchester birmingham or wherever the play is seen by an audience from ray speakman s introduction

dramatization of the story about the explosion of racial hate in an alabama town as viewed by a little girl whose father defends a black man accused of rape

in 1960 to kill a mockingbird was published to critical acclaim to commemorate to kill a mockingbird s 50th anniversary michael j meyer has assembled a collection of new essays that celebrate this enduring work of american literature these essays approach the novel from educational legal social and thematic perspectives harper lee s only novel won the pulitzer prize and was transformed into a beloved film starring gregory peck as atticus finch an american classic that frequently appears in middle school and high school curriculums the novel has been subjected to criticism for its subject matter and language still relevant and meaningful to kill a mockingbird has nonetheless been under appreciated by many critics there are few books that address lee s novel s contribution to the american canon and still fewer that offer insights that can be used by teachers and by students these essays suggest that author harper lee deserves more credit for skillfully shaping a masterpiece that not only addresses the problems of the 1930s but also helps its readers see the problems and prejudices the world faces today intended for high school and undergraduate usage as well as for teachers planning to use to kill a mockingbird in their classrooms this collection will be a valuable resource for all teachers of american literature

harper lee s pulitzer prize winning story of a black man on trial for rape in the 1930s alabama is one of the most poignant works on the destructive effects of racism

for use in schools and libraries only the explosion of racial hate and violence in a small alabama town is viewed by a young girl whose father defends a black man accused of rape

a challenge to traditional criticism this engaging study demonstrates that issues of sexuality and same sex desire in particular were of central importance in the literary production of the southern renaissance especially during the end of that period approximately the 1940s and 1950s the national literary establishment tacitly designated the south as an allowable setting for fictionalized deviancy thus permitting southern writers tremendous freedom to explore sexual otherness in lovers and beloveds gary richards draws on contemporary theories of sexuality in reading the fiction of six writers of the era who accepted that potentially pejorative characterization as an opportunity truman capote william goyen harper lee carson mccullers lillian smith and richard wright richards skillfully juxtaposes forgotten texts by those writers with canonical works to identify the complex narratives of same sex desire in their novels and stories the authors consistently reimagine gender roles centralize homoeroticism and probe its relationship with class race biological sex and southern identity this is the first book to assess the significance of same sex desire in a broad range of southern texts making a crucial contribution to the study of both literature and sexuality

on july 4 1845 the piercing sound of a steamboat s whistle along the banks of the coosa river served as an exotic technological proclamation for the beginning of a new era in northeast alabama the landing of captain james lafferty s steamboat the coosa marked the genesis of a new town and the realization of a shared vision of gabriel hughes joseph hughes and john s moragne from that moment on hundreds upon hundreds of pioneering men and women immigrated to gadsden in the latter part of the nineteenth century pursuing the american dream of land and opportunity gadsden city of champions with over 100 black and white illustrations presents a comprehensive history of gadsden s astonishing development and details the various stages of the city s evolution from a neutral playing field between rival cherokee and creek tribes to a wilderness stagecoach stop to a humble village to a major riverboat port into a modern industrial city amid streetcars opera houses bustling mills and unpaved streets readers meet local figures such as colonel r b kyle captain james m elliot jr judge john h disque emma sansom and john w wisdom and a host of colorful characters riverboat pilots theater managers mill workers pulltight saloonkeepers and bootleggers against an epic backdrop of war reconstruction depression fire and prosperity

one of the definitive novels of the twentieth century and winner of the pulitzer prize this enhanced edition includes an excerpt from the audio read by sissy spacek as well as footage from the documentary hey boo including contributions from oprah winfrey wally lamb and richard russo among others shoot all the bluejays you want if you can hit em but remember it s a sin to kill a mockingbird a lawyer s advice to his children as he defends the real mockingbird of harper lee s classic novel a black man charged with the rape of a white girl through the young eyes of scout and jem finch harper lee explores with exuberant humour the irrationality of adult attitudes to race and class in the deep south of the thirties the conscience of a town steeped in prejudice violence and hypocrisy is pricked by the stamina of one man s struggle for justice but the weight of history will only tolerate so much to kill a mockingbird is a coming of age story an anti racist novel a historical drama of the great depression and a sublime example of the southern writing tradition

do women in classical hollywood cinema ever truly speak for themselves in echo and narcissus amy lawrence examines eight classic films to show how women s speech is repeatedly constructed as a problem an affront to male authority this book expands feminist studies of the representation of women in film enabling us to see individual films in new ways and to ask new questions of other films using sadie thompson 1928 blackmail 1929 rain 1932 the spiral staircase sorry wrong number notorious sunset boulevard 1950 and to kill a mockingbird 1962 lawrence illustrates how women s voices are positioned within narratives that require their submission to patriarchal roles and how their attempts to speak provoke increasingly severe repression she also shows how women s natural ability to speak is interrupted made difficult or conditioned to a suffocating degree by sound technology itself telephones phonographs voice overs and dubbing are foregrounded called upon to silence women and to restore the primacy of the image unlike the usage of voice by feminist and literary critics to discuss broad issues of authorship and point of view in film studies the physical voice itself is a primary focus echo and narcissus shows how assumptions about the deficiencies of

women's voices and speech are embedded in sound's history technology uses and marketing moreover the construction of the woman's voice is inserted into the ideologically loaded cinematic and narrative conventions governing the representation of women in hollywood film
